

Bude Canal & Harbour Society Library

Some years ago the Society received a gift of a number of books mainly related to waterways in the UK; at present the total is 40. In the past BCHS have tried to establish a lending system for members. However, at that time it was not successful. Recently the Trustees decided to make a second attempt to establish this library. The exact details of access, etc. have not been finalised but it would be of use if members who would be interested in making use of such a facility would complete the pro-forma at the end of the list of the books available and return it to me, Chris Jewell at 4a The Crescent, BUDE, Cornwall EX23 8LE. Alternatively send your comments by e-mail to info@bude-canal.co.uk

List of books held in the BCHS Library
